

DexSpan™ Framing Systems are available as mill aluminum or in the following standard finish options:

CLEAR ANODIZED

DARK ANODIZED

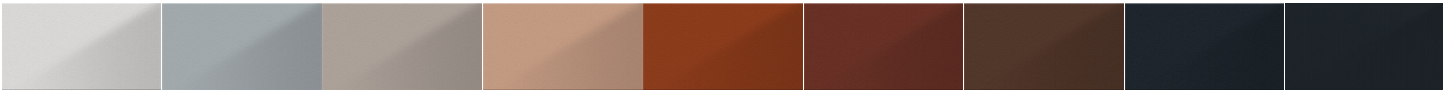

WHITE

QUAKER BRONZE

We can also custom manufacture components to your specification and desired color...

NOTE: Due to the limitations of 4-color process printing and variations on computer monitors, the colors shown here may not be an accurate reproduction of the actual finish color. Color images shown here are intended as a guide only and should not be regarded as absolutely correct. Ask for the related color chips to accurately select your project's color(s).
